

Medical Marijuana Facility Moratorium Ordinance

Introduction

In March 2014, the Oregon Legislature passed Senate Bill 1531, which purports to restrict local government regulation of medical marijuana facilities to only time, place and manner restrictions, unless a city or county enacts an ordinance declaring a moratorium and notifies the Oregon Health Authority of such moratorium by May 1, 2014. SB 1531 limits the moratorium to May 1, 2015, after which it is replaced by the time, place and manner restrictions.

Pursuant to SB 1531, the moratorium represents an exercise of the home rule authority and police powers to prohibit certain activities within the territorial limits of the city. Pursuant to SB 1531, the moratorium has the additional effect of removing the immunity provisions of the Oregon Medical Marijuana Act for anyone operating a medical marijuana facility in an area of a moratorium, notwithstanding that they may be a medical marijuana card holder or previously registered with the Oregon Health Authority under ORS 475.314.

It is important to note that jurisdictions that adopt a moratorium type ordinance prior to the effective date of SB 1531 are advised to consult with legal counsel to determine the adequacy of the prior enactment and its relationship to SB 1531.
