Mayor Cole called the meeting to order.

Council Present: Mayor Cole, Phil Butcher, David Sills, William Vilardi, Scott Cooper and Sloan Nelson.

Council Absent: James Bradfield and Mike Avent

Highway 30 Project:

Tom Weatherford, ODOT, stated in 2011 there were discussions regarding costs vs. funding and the scope of the project was reduced due to the rising costs. Weatherford stated the scope of the project needed to be reviewed again. Tom Weatherford, ODOT and Brady Berry, W & H Pacific presented four different options and handouts. The ornamental lighting has always been an extra cost and the underground infrastructure was previously in the budget but was pulled out due to costs. Dudley stated that if there is any consideration on including lighting at a later date the infrastructure for the lighting needs to be included at the time of project construction. Adding it later as a separate project would be cost prohibiting. The Council's consensus was to move the project ahead as detailed in option four. One change identified was to include electrical outlets at each tree; W & H Pacific will provide a cost estimate.

Mayor Jerry Cole
